Munger Residences in the Lawyers Club. Designed to maintain the architectural integrity of the Law Quad while providing modern upgrades, the renovations also include revitalized living spaces and common areas. You’ll also tour South Hall, which was dedicated in 2012 and features large and small classrooms, the Jeffries Student Lounge, the Miller Canfield Corner, and offices for faculty, clinics, and administrative units.
3:30–5 p.m. **Alumni and Student Speed Mentoring**  
*Robert B. Aikens Commons, Lower Level, Hutchins Hall*

Have you heard of speed networking? Well, this is speed mentoring! Over the course of an hour, students will change seats and mentors every six minutes, gathering information and advice from alumni in practice. Interested alumni and students are asked to complete a short questionnaire about their background, career experiences, interests, and aspirations. The answers gathered from the survey will be compiled into information sheets that the alumni and students can exchange with one another. More than a business card, but shorter than a resume, these information sheets will allow you to stay connected to those you have met.

Want to participate? Please complete the survey at law.umich.edu/speedmentoring by Friday, October 5. Questions? Email lawmentors@umich.edu.

7 p.m. **Cocktails**

8 p.m. **Class Dinners**  
*Michigan League – Registration Required*

Class dinners are the heart of Reunion Weekend. A class photograph will be taken during the evening, and Dean West will stop by to greet each Reunion group. Dinner and cocktails are included in the event price. **Please check in at the lobby of the Michigan League for your class dinner room assignment.**

*Class dinners moved from Saturday to Friday evening in 2016, allowing classmates to connect right at the start of the weekend in the most meaningful way.*
