As you begin your summer experience and the job search process, maintain perspective of the big picture with the help of the EIW Tip Sheet: Maximizing Your 1L Summer for a Private Sector Job Search.

Since last week's EIW 2019 launch, we hope you have had an opportunity to check out the EIW Student Site and EIW 2019 Guide. Now it's time to take the first step towards building your bid list: researching firms and starting to determine the firms/offices with which you want to interview.

First, check out the EIW 2019 Guide "Which firms should I pick for my Bid List?" on page
10, including the EIW Tip Sheet: How to Pick Firms for Your Bid List. To assist in your research, numerous resources are listed on the EIW Student Site within the "Researching Law Firms" tab.

**REMINDER:** The window to RSVP for the Rising 2L/3L Directory ends at 11:59 p.m. EDT today. RSVP via Symplicity (Events > Workshops). This list will be distributed on Tuesday to private sector employers who wish to contact students regarding firm networking events and recruiting. Being on this list is a great way to stay in the loop re: firm receptions this summer as employers will use this list to send direct invitations. FYI - nearly 75 firm receptions have already been posted to Symplicity (Events > Information Sessions), and we will continue updating as we receive additional invitations.

As a reminder, if you miss an email in this series, a PDF of each week's update can be found in the Archive section of the EIW Student Site.

Have a great week!
