Other Interview Opportunities and EIW Tips

Now that we’ve hit June (remember to review the month-by-month checklist in the EIW 2019 Process Guide) there are a number of strategies to consider in your 2L summer job search, including attending firm receptions, applying to resume collects and early interviewing pre-EIW.

**Firm Receptions:** The vast majority of receptions take place between early June and the Tuesday, July 16 bidding deadline. Firm receptions can be found via Symplicity (events > information sessions). Make sure to follow the RSVP directions outlined in the event description section.

**Resume Collects:** Resume collects are job postings from firms/offices that are interested
in recruiting Michigan Law Students, but are unable to come to campus. These may be firms that aren't participating in EIW, or firms that interview at EIW, but not for all offices. You can view resume collects in Symplicity (jobs > Search > More Filters > Resume Collect = Yes > Apply). Resume collects went live June 1, however, additional resume collects are likely to be added throughout June and July, and even into August and September.

**Early Interviewing Pre-EIW**: Some firms that come to EIW are willing to interview students over the summer prior to EIW. This process is known as early interviewing, or precruiting. This represents a potential opportunity, but does not make sense for all students in all circumstances. Watch Interviewing for a 2L Summer Big Law Job During your 1L Summer video for more details about early interviewing, then discuss your situation with your Attorney-Counselor.

As a reminder, if you miss an email in this series, a PDF of each week’s update can be found in the Archive section of the EIW Student Site.
