Session 1

Raquel Hudson

3/16/20, 1:00PM - 1:15PM CST

Before the event, you will receive an email with your schedule in your inbox from the domain michiganlaw@floeevents.email. This email will be sent to the address you used to register for the event.
In your email, you will see one button to join the virtual room. Click the button, or copy and paste the video chat link into your browser, to see your schedule and join your first video chat. You should use the Google Chrome browser for your video chats.
On your screen, you will see your virtual schedule on the left. In the middle, you’ll see a button to Join Room. Click it to be connected to your first call.
Meet Virtually

When all participants have joined the room successfully, you’ll start your session. If your wi-fi is low quality, you can decrease the quality of your video stream to ensure the audio is still crystal clear by clicking More.
Two minutes before your next session you’ll see a notification to join your next session. Click Join Call to join the next room a few minutes before your next session begins and continue this process until the end of your schedule. After all of your sessions are complete, you can exit the tab or click Leave to exit.
